

## Notices

### **AIDS and the nervous system, San Francisco, 11–12 December 1986**

This symposium is designed to present the most recent information on the care of patients with AIDS with neurological disease including overview and neuroepidemiology, clinical syndromes and diagnosis, primary and opportunistic viral infections, non-viral infectious disease, Kaposi's sarcoma and systemic lymphomas, patient care issues, and recent research developments. For further information: Extended Programs in Medical Education, Room 569-U, University of California, San Francisco, CA 94143.

### **Current topics in occupational medicine, San Francisco, 27–31 October 1986.**

This meeting will be held at the Cathedral Hill Hotel and will cost \$550 for physicians. Category 1 AMA credit. For further details contact Postgraduate Programs, Department of Medicine, 505 Parnassus M979, University of California, San Francisco, CA 94143-0120.

### **Correction**

#### **Spontaneous abortions among women working in the pharmaceutical industry (March 1986)**

Whenever the spontaneous abortion rate for all the women in the corresponding central hospital districts is given as 8.5% it should read 11.3%.

### **Chemical Accidents World Conference, Rome, 7–10 July 1987**

The conference is being sponsored by WHO, the Istituto de Sanita—Roma, and the International Programme on Chemical Safety. The main topics will be prevention, contingency planning, emergency response, rehabilitation after chemical accidents, and case studies and surveys. The aim of the conference is to evaluate how to contain chemical accidents during manufacturing, transportation, storage, and disposal. Deadline for receiving abstracts from interested authors is 3 November 1986. For editorial inquiries contact David F Cowan 041 332 3336. All other inquiries to Ron Hurley CEP Consultants, 26 Albany Street, Edinburgh EH1 3QH (031 557 2478).
