A Prokopowicz, A Sobczak, M Szul a *et al.* Effect of occupational lead exposure on  $\alpha$ - and  $\gamma$ -tocopherol concentration in plasma. *Occup Environ Med* 2013;**70**(6):365–371. During the production process, all instances of ‘creatinine’ were replaced by ‘creatine’ which is incorrect. All instances of ‘creatine’ should be replaced by ‘creatinine’.

*Occup Environ Med* 2013;**70**:520. doi:10.1136/oemed-2012-100979corr1
