- 412** Arterial structure and function and environmental exposure to cadmium *R Schutte, T Nawrot, T Richart, L Thijs, H A Roels, L M Van Bortel, H Struijker-Boudier, J A Staessen*
- 420** Maternal exposure to water disinfection by-products during gestation and risk of hypospadias *T J Luben, J R Nuckols, B S Mosley, C Hobbs, J S Reif*

PostScript

- 428** Letters

Education

- 430** Genetic susceptibility to occupational exposures *D C Christiani, A J Mehta, C-L Yu*

Miscellanea

- 419** Echo

Stay a step ahead with Online First

We publish all our original articles online before they appear in a print issue.

This means that the latest clinical research papers go straight from acceptance to your browser, keeping you at the cutting edge of medicine. We update the site weekly so that it remains as topical as possible.

Follow the Online First link on the homepage and read the latest research.
