Medicine & Global Survival

EDITOR: JENNIFER LEANING, M.D.

Medicine and Global Survival is a new international journal to be launched in March 1994. This journal, previously published as The PSR Quarterly will be published by the BMJ Publishing Group. Medicine and Global Survival looks at major catastrophic issues of our time from the physicians' perspective. It discusses the role of medicine and public health in determining and changing the ways in which our societies respond to these serious challenges to global survival.

The journal aims to enlist physicians and other professionals in a truly international analysis of major issues relating to:

- war
- civil conflict
- disaster
- the environment
- public health and development
- human rights
