### Practice

- 276** Management of occupational dermatitis in healthcare workers: a systematic review  
*J Smedley, S Williams, P Peel, K Pedersen, on behalf of the Dermatitis Guideline Development Group*
- 280** Case-based e-learning to improve the attitude of medical students towards occupational health, a randomised controlled trial  
*P B A Smits, L de Graaf, K Radon, A G de Boer, N R Bos, F J H van Dijk, J H A M Verbeek*

### Exposure assessment

- 284** Physical workload and risk of low back pain in adolescence  
*P Mikkonen, E Viikari-Juntura, J Remes, T Pienimäki, S Solovieva, S Taimela, P Zitting, M Koiranen, P Leino-Arjas, J Karppinen*

### World at Work

- 291** World at work: truck drivers  
*A J van der Beek*

### Short report

- 296** Heavy manual work, exposure to vibration and Dupuytren's disease? Results of a surveillance program for musculoskeletal disorders  
*A Descatha, J Bodin, C Ha, P Goubault, M Lebreton, J F Chastang, E Imbernon, A Leclerc, M Goldberg, Y Roquelaure*

### PostScript

- 300** Letters

## Stay a step ahead with Online First

We publish all our original articles online before they appear in a print issue.

This means that the latest clinical research papers go straight from acceptance to your browser, keeping you at the cutting edge of medicine. We update the site weekly so that it remains as topical as possible.

Follow the Online First link on the homepage and read the latest research.
