### Short report

- 432** Saharan dust and the association between particulate matter and daily hospitalisations in Rome, Italy *E R Alessandrini, M Stafoggia, A Faustini, G P Gobbi, F Forastiere*

### PostScript

- 435** Letter

OPEN ACCESS

## Stay a step ahead with Online First

We publish all our original articles online before they appear in a print issue.

This means that the latest clinical research papers go straight from acceptance to your browser, keeping you at the cutting edge of medicine. We update the site weekly so that it remains as topical as possible.

Follow the Online First link on the homepage and read the latest research.
