

# Occupational & Environmental Medicine

## Contents

September 2013 Volume 70 Issue S1

- |     |  |      |  |
|-----|--|------|--|
| A1  | Session: A. Exposure assessment I  | A77  | Session: 1. Health impact analysis I                 |
| A3  | Session: B. Other  | A79  | Session: 2. Exposure assessment I                    |
| A6  | Session: C. Health Impact I  | A81  | Session: 3. Electro magnetic fields and health       |
| A9  | Session: D. Exposure assessment II   | A83  | Session: 4. Occupational cancer                      |
| A10 | Session: E. Sustainable employability  | A85  | Session: 5. Musculoskeletal disorders                |
| A14 | Session: F. Health care II   | A87  | Session: 6. Intervention studies I                   |
| A17 | Session: G. Hazard identification (psycho social)  | A89  | Session: 7. Occupational asthma                      |
| A18 | Session: H. Cancer epidemiology I  | A91  | Session: 8. Hazard identification I                  |
| A22 | Session: I. Injury   | A92  | Session: 9. Asbestos and mesothelioma                |
| A25 | Session: J. Respiratory epidemiology   | A94  | Session: 10. Hazard identification II                |
| A28 | Session: K. Musculoskeletal disease  | A95  | Session: 11. Neurological outcomes                   |
| A31 | Session: L. RICOH  | A96  | Session: 12. Late breaking abstracts                 |
| A33 | Session: M. Cancer epidemiology II   | A98  | Session: 13. Exposure assessment methods I           |
| A36 | Session: N. Noise & hearing  | A99  | Session: 14. Exposure assessment II                  |
| A37 | Session: O. Biomarker  | A102 | Session: 15. Occupational injuries                   |
| A40 | Session: P. Other diseases   | A104 | Session: 16. Lung cancer                             |
| A43 | Session: Q. Exposure assessment III  | A106 | Session: 17. Intervention sick leave                 |
| A44 | Session: R. Musculoskeletal disease  | A108 | Session: 18. Exposure assessment III                 |
| A48 | Session: S. Health impact II   | A110 | Session: 19. Life course trajectories                |
| A50 | Session: T. Intervention studies & health management   | A112 | Session: 20. Risk modelling                          |
| A53 | Session: U. Cancer epidemiology III  | A114 | Session: 21. Low back pain                           |
| A56 | Session: V. Health care  | A116 | Session: 22. Miners and cancer                       |
| A59 | Session: W. Methods  | A117 | Session: 23. Biological agents                       |
| A62 | Session: Mini symposium I: Nanomaterials and health: Sponsored by Nanonext-NL                | A119 | Session: 24. Intervention lifestyle                  |
| A64 | Session: Mini symposium II: Occupational cancer in Europe (SHECAN)                           | A120 | Session: 25. Shift work and health                   |
| A66 | Session: Mini symposium III: Workers compensation  | A121 | Session: 26. Exposure assessment methods II          |
| A67 | Session: Mini symposium IV: Disease surveillance   | A123 | Session: 27. Silica and health                       |
| A69 | Session: Mini symposium V: Shift work and cancer   | A125 | Session: 28. Health impact analysis physical factors |
| A70 | Session: Plenary session   | A127 | Session: 29. Health in health care                   |
| A72 | Session: Plenary session RICOH: Introduction and work activities                             | A129 | Session: 30. Lymphoma and leukemia                   |
| A73 | Session: Parallel session 1 RICOH: Stress, shift work and occupations with chemical exposure | A131 | Session: 31. Exposure assessment IV                  |
| A75 | Session: Parallel session 2 RICOH: Child behavior and semen quality                          | A133 | Session: 32. Agriculture and cancer                  |
|     |  | A135 | Session: 33. Hazard identification and biomarkers    |
|     |  | A137 | Session: 34. Health impact analysis II               |
|     |  | A139 | Session: 35. Occupational respiratory health         |
|     |  | A142 | Author Index   |
