

Correction: *Novel clinical scores for occupational asthma due to exposure to high-molecular-weight agents*

Taghiakbari M, Pralong J, Lemière C, *et al.* Novel clinical scores for occupational asthma due to exposure to high-molecular-weight agents. *Occup Environ Med* 2019;**76**:495–501. doi: 10.1136/oemed-2018-105593.

In the published version the term “Rhinoconjunctivitis symptoms”, used in texts and tables should be “Work-related rhinoconjunctivitis symptoms”. The latter is the correct variable that is used in data analysis of this paper.
